Re: Krumme U.S. Patent Appln. 10/533,835 filed May 4, 2005
MULTILAYERED TRANSMUCOSAL THERAPEUTIC SYSTEM
(per Preliminary Amendment on filing of application)
Our Ref. RO4037US (#90568)

Dear Sir or Madam:

Attached is a copy of the first page of the official Filing Receipt with a mailing date of 10/03/2005. Three portions of the Filing Receipt contain errors, namely: 1) the Applicant's city and state of residence is wrong, 2) the listing of attorneys under the section "Power of Attorney" is incomplete, and 3) the title should be as presented in the Preliminary Amendment filed with the application. The corrections are entered on the copy of the Filing Receipt and are noted below:

- 1) Applicant: Markus Krumme, Randolph, New Jersey
- 2) Attorneys listed in the "Combined Declaration and Power of Attorney" at page 3 (submitted herewith and discussed below):

D. Peter Hochberg	Reg. No. 24,603
Sean Mellino	Reg. No. 48,817
Katherine R. Vieyra	Reg. No. 47,155
James A. Rich	Reg. No. 25,519

- 3) Title: MULTILAYERED TRANSMUCOSAL THEREPEUTIC SYSTEM

Along with the official Filing Receipt, we received the Notice of Acceptance of Application that indicated: "Oath or Declaration filed on 05/04/2005." However, this was not the

Declaration and Power of Attorney that was executed by the inventor for this U.S. case. Accordingly, we are enclosing a copy of the "Combined Declaration and Power of Attorney" as executed by the applicant on May 19, 2005 for entry of the Power of Attorney portion of this document. Further, this Combined Declaration and Power of Attorney supports the inventor's address details, the attorney listing and the proper title for this case.

Heretofore, our procedure with our client was to obtain the inventor(s) signature(s) on a "Combined Declaration and Power of Attorney" and an "Assignment" for the individual national phase applications that we file for them, and subsequently file the Declaration and Power of Attorney when we received a Notice of Missing Requirements. Therefore, we were awaiting a Notice of Missing Requirements to formally submit the enclosed Declaration and Power of Attorney. However, we have learned that our client has been filing an Oath with their PCT applications that is being accepted by the USPTO; thus, no Notice of Missing Requirements is issued.

Further supporting the title for this application (MULTILAYERED TRANSMUCOSAL THERAPEUTIC SYSTEM) are copies of the first two relevant pages of the Preliminary Amendment as filed with the application. It appears that titles amended in a Preliminary Amendment are being overlooked when processing Filing Receipts for national phase applications.

Lastly, an "Application Data Sheet" is enclosed reflecting the proper details for this application. Correction of the records of the USPTO is respectfully requested, and we look forward to receiving a corrected Filing Receipt in due course.

Respectfully submitted,

D. Peter Hochberg
